Chief McDonnell -
I filed a criminal complaint online on June 4 against at least one perpetrator for violation of federal and state statutes (18 U.S. Code §§ 4 and 1512(c)(2) and Cal. Pen. Code § 96.5 and quite likely § 182, and probably others). See attachments. I'd like to know the status of this since I have not heard from anyone in the department regarding details. I kept the offender's name anonymous for now, so there is no way, therefore, that a criminal prosecution could have possibly gotten started without my additional input. Can I get an update?
Thanks in advance,
Tom

Is someone going to respond, or is it perfectly fine for certain people to commit crimes?
